

From: Jun Yao, UWE Bristol, 08/07/2024

Subject: KTP Associate

Topic: Simulation Design Engineer (CFD/Digital Twin)

Details: This is an exciting opportunity to work in a collaborative partnership between the University of the West of England (UWE) and HVN Labs under the UK Government sponsored Knowledge Transfer Partnership (KTP) programme. HVN is a partner company of Celestial Labs, who is a global leader in the entertainment industry using the latest innovative drone light technology to bring purposeful stories to the skies. Both Celestial and HVN group are part of a collective of creative animators, filmmakers and tech specialists. HVN are pioneering drone art technology systems. The aim of this project is aiming to digital twin capability to enhance drone stability, efficiency, and control which will be utilised to create immersive drone lightshows. For more detail is available [here](#). For information enquiries, email jun.yao@uwe.ac.uk.
