## Technology challenges for addressing urban air quality

University of Nottingham, December 7th, 2022

### Confirmed Speakers

**Richard Taylor (Nottingham City Council)**

**Tim Watling (Johnson Matthey)**

**Reza Ziarati (Centre for Factories of the Future)**

**Mark Peckham (Cambustion)**

**Matteo Icardi (University of Nottingham)**

**Jose Martin Herreros (University of Birmingham)**

**Andrew McMullan (University of Leicester)**

### Registration

To register for this event, use the QR code above or registration link below

As usual, there is no fee for attending our SIG meetings. Our mission is to bring industry, decision makers and academia together as we explore current challenges in the Urban Air Quality space.

### Registration link
