

## **Tribute to Keith Julien at APS DFD, Saturday November 23**

### ***A tribute and celebration honoring the scientific legacy of Keith Julien***

**Date:** Saturday November 23, 2024, 10am - 5pm; 1-day pre-meeting of the 2024 APS DFD Meeting

**Location:** Salt Palace Convention Center, Salt Lake City, UT

**Description:** A one-day, in-person meeting will be held at the Salt Palace Convection Center, in Salt Lake City, Utah, on Saturday November 23, 2024 (the day before the start of the 2024 Division of Fluid Dynamics meeting) to explore and reflect on the fundamental scientific contributions of the late Keith Julien (1965-2024).

We inclusively invite all who worked with Keith, worked on similar topics, or simply appreciated Keith, to please take part. There will be keynote lectures and contributed presentations selected from among the registrants. Scientific topics will cover Keith's broad range of interests, including multi-scale asymptotic theory and its applications to geophysical and astrophysical fluid systems; computational physics; stability theory; hydrodynamics and magnetohydrodynamics; convection and dynamo theory.

There will be no charge for this memorial event, as DFD is kindly contributing the meeting space and AV facilities. Please go to [this site](#) to register. Registrations will be accepted until September 15th.

#### **Organizers:**

Jon Aurnou, Ph.D. (UCLA)

Bob Ecke, Ph.D. (LANL)

Ian Grooms, Ph.D. (CU Boulder )
