## Tenure Track Faculty Position in Fluid Mechanics Department of Applied Mathematics University of Waterloo

The Department of Applied Mathematics at the University of Waterloo invites applications for a tenure-track Assistant Professor position in **Fluid Mechanics**. Areas of particular interest include environmental and geophysical fluid dynamics and sustainability related to climate, atmosphere, oceans and lakes.

The department has 30 regular faculty members and a substantial graduate program with over 100 graduate students pursuing Masters or PhD degrees, and strong undergraduate programs in applied mathematics, scientific computing and mathematical physics. More information about the department can be found at <a href="https://uwaterloo.ca/applied-mathematics/">https://uwaterloo.ca/applied-mathematics/</a>. With 300 faculty members, 8,000 undergraduate students and more than 1,000 graduate students in mathematics and computer science, Waterloo's Faculty of Mathematics is a global powerhouse in research, education and innovation.

Interested individuals should apply using **MathJobs** (see <a href="https://www.mathjobs.org/jobs/list/23161">https://www.mathjobs.org/jobs/list/23161</a> for complete job information). Applications should include a cover letter, a curriculum vitae, research and teaching statements, teaching evaluation summaries (if available) and up to three reprints/preprints. Applicants are welcome to include a statement on Equity, Diversity and Inclusion. In addition, applicants should arrange to have at least three reference letters submitted on their behalf. Applications will be reviewed starting **November 1, 2023**, but all complete applications received by **December 1, 2023** will receive full consideration.
